Another lovely evening for a run around on one of our more interesting and certainly physically challenging maps. Thank you to Lyn and Ionel for providing everyone with a good mix of interest and challenge. There were some quite tired looking people (and dogs) returning to the event centre tonight. For those of us that went out to collect in the controls (some rather sloppy from the attention the cows had given them) we were treated to a lovely sunset. I recommend a walk back up to the top early one evening when you have time to enjoy the view.

It was great to see a good number of first timers there again tonight. We hope you enjoyed your experience and look forward to seeing you back again. It is also great to see many people purchasing seasons tickets. Don't forget that if you decide you would still like to do so to tell us how many events you have already attended and subtract what you have paid off the purchase price. It certainly makes it easy and quick for us on busy nights if you have a seasons ticket.

Next week we move back to THURSDAY at Auckland Domain, starting from close to the Band Rotunda, just to the east of the duck ponds. We look forward to seeing you there.
