Western Springs certainly came to life this evening with orienteers of all ages out enjoying the beautiful summers evening. I think we even outnumbered the very abundant bird life! The courses tonight were set for us by Ryan Moore, a year 8 student who spent a busy afternoon after school running around the park putting out the controls and collecting them again at the end – Thanks Ryan for doing such a great job. Despite the lovely long hours of daylight we are now having it was fairly dark by the time we all got away from the park tonight as with so many people out on the courses it took a while for everyone to finish. This meant we could enjoy watching the rabbits out for their early evening frolic.

Next week the event is back to WEDNESDAY (30th) in Blockhouse Bay, starting from Craigavon Park, in the carpark off Connaught St just down from its junction with Portage Rd. We look forward to seeing you there.
