

Planner: Kieran Woods - Controller: Dwayne Smith

Despite early rain it was a lovely evening for running round the pictureque Panmure Basin (when the tide is in). Thank you very much to Kieran and Dwayne for organising this event. The wonderful railway area gave a real challenge to everyone who entered there. It was great for those not wanting to do the running around the Basin also.

Next week we are at Self's Farm (a private farm on a lesser know Auckland volcano) with it's lovely little lake. Self's Farm is accessed off Tidal Rd (off Massey Rd) so we'll see you there next WEDNESDAY (1st March). This event will use electronic timing (Sport Ident) so if you own an e card please bring it along

The following Sunday (5th March) there is a double sprint on the Massey Campus at Albany. We are running this event as a practice run for the Oceania and World Masters Orienteering Champs which are being held in April. To simulate these major events we need pr-entry and as many people there as possible. PLEASE ENTER ONLINE - you pay for the event on the day not with the entry. Please enter even if you are uncertain about being unable to attend. The link for the entry page is <https://entero.co.nz/evento.php?eventName=double-sprint-2017> Entries close at the end on next Tuesday (28 February).
