Auckland Orienteering Club will hold its Christmas function on Sunday 1st December at the Carlton Rugby Club, Puriri Drive Greenlane. This is the highlight of the club year – a lovely time for everyone to mix together and a great chance for those newer to the club to get to know other club members, both long term and new. This year we have moved to the Carlton Rugby Club which is a lovely spacious area to relax in. The Rugby club will have its bar open and manned for us. (maybe after you have taken part in the orienteering fun activity?)

From 4.30pm one of our more inventive members has organised a FUN 'orienteering' event (not too strenuous – suitable for the whole family)

At 6pm there will be a BRIEF AGM inside, followed by a shared meal. If you have young ones who would prefer not to sit through the AGM get them to bring along a ball – there is heaps of space outside for having fun. The AGM will conclude with the presentation of the club Champs awards and some special wards as well. We will bring everyone back inside for this.

We then will move to a shared dinner that is always wonderful! The club provides BBQ meat. Please bring a salad or dessert to share. You will not leave hungry!

Mark this on your calendar now - We look forward to a great turnout!!
